

**DA0094, DA0095, DA0096  
ADJUSTABLE DOCK BUMPERS ASSEMBLY**

Tear the shrink wrap off the parts and the dock bumpers come pre-assembled.

- Hook them on the dock legs as shown.
- Tighten the hardware if it's not already tight.
- Adjust the height of the GlidePoles by loosening the bolts, move the bumper to desired height and tighten the bolts.

# DA0094
