

Solar Dot Lights for FLOE Docks

MODEL: LL-SFD-X

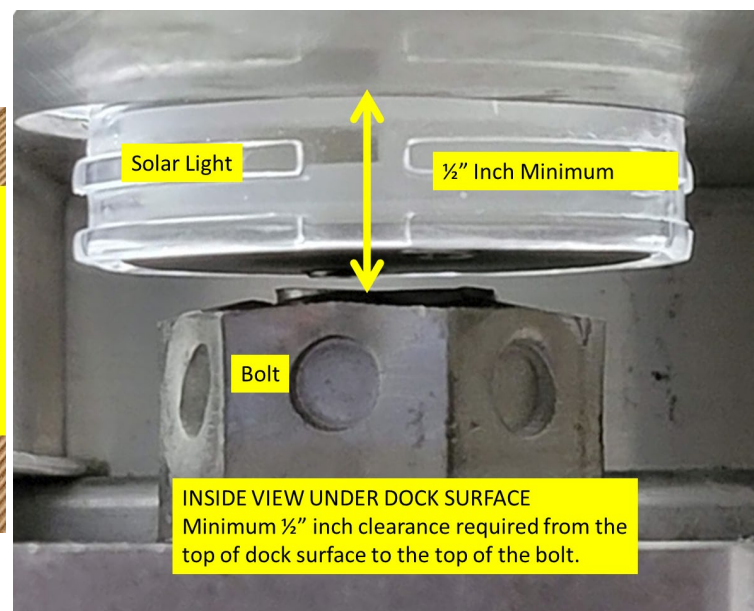

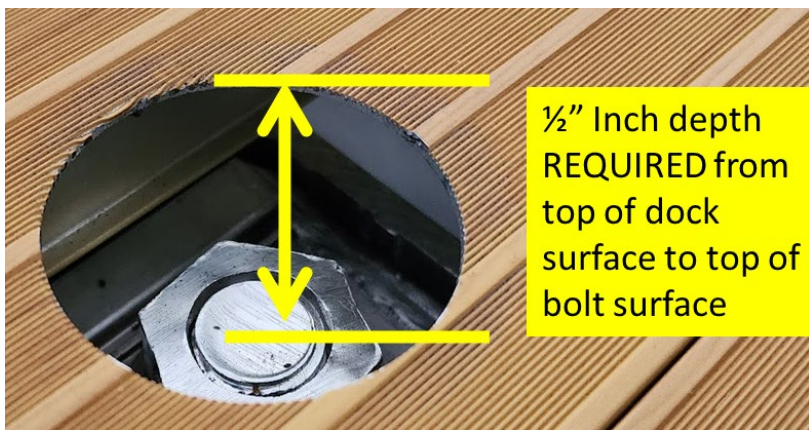

IMPORTANT

IMPORTANT: THE SOLAR DOTS FOR FLOE DOCKS WILL **ONLY FIT THE QUICK-ATTACH** STYLE DOCKS. SIMPLY REMOVE YOUR COVER CAPS AND PRESS-FIT THE SOLAR DOT LIGHT INTO PLACE.

NOTE: THE STANDARD DOCK STYLE WITH LEVELING BOLTS DO NOT LEAVE ROOM FOR THE SOLAR DOT LIGHT TO FIT SECURELY. THE SOLAR DOT LIGHTS **WILL NOT FIT OR WORK WITH THE ECONOMY "STANDARD DOCK SERIES"**.

For a seamless and flat fit, our solar dots require a minimum clearance of $\frac{1}{2}$ inch depth inside the pockets of the dock, along with the inside bolts
